Hi Amy,

I'm not sure that our management was reached after our call on Wed. I will follow up with Marion this morning. I will look on calendars for available times for a quick check in as well.

Debra

Hi,

I am just following-up from our conversation last week. I did let Jan know that the current plan was to sign the memos today and she was still concerned about not waiting until we see comments (she wondered if we normally do wait and if this is inconsistent in anyway). Also, were you able to contact HED and discuss with them what their preference is? Do we need to have a quick meeting today to discuss any of this now that most folks are back in the office?

Thanks,  
Amy
